WORK EXPERIENCE

Research Assistant (Oxford University)

- Dr. Hugo Slim, Solferino XXI project
- Dr. Ezequiel González Ocantos, various projects

International Committee of the Red Cross

- Collected data and developed the methodology to measure conflict-related deaths in cities across Syria, Iraq and Yemen. The data and methodology were incorporated in the report I Saw My City Die, available online at <http://cityatwar.icrc.org/>

Small Arms Survey

- Co-authored publications on illicit arms trafficking and national reporting of arms control measures funded by the European Union and Sweden.
- Assisted in the organization of four thematic symposia that served as preparation for the 3rd Review Conference of the Programme of Action on Small Arms and its International Tracing Instrument.
- Conducted desk research on different topics related to small arms trafficking and armed violence such as illicit arms trafficking in Central America, usage of converted firearms in Europe, the burden of armed violence globally, etc.

Centro de Investigación y Docencia Económicas (CIDE)

- Conducted research on Mexican children that are deported from the United States and the role of institutions to reintegrate these children to the educational system.
- Contributed to the publication of "Diaspora in return: the inclusion of dreamers and sons of immigrants to the Mexican Education System" [Conclusions of the Second Session of the Permanent Seminar of Evaluation on Education Policy and Practice].
- Collaborated in the implementation of Talentum Universidad, a project aimed at identifying and enhancing academic achievement of gifted high school students across eight states in Mexico.

Mexican Ministry of Social Development

- Policy advisor for the Community Learning Centers Department at the Ministry. Responsible for monitoring the operations of the centers –a public policy aimed at reducing the digital divide in the localities with the highest degree of marginalization– in several states of the country.
- Carried out statistical reports for the Ministry and other federal agencies dealing with implementation results of major social programs.
- Participated in inter-institutional coordination efforts within the three levels of government to supervise the execution of major social investment projects around the country.

AWARDS

- St. Peter's College Foundation Graduate Award
- Full Oxford DPIR studentship (covering fees and living expenses) for doctoral studies.
- Mexico's National Council of Science and Technology scholarship for doctoral studies.
- Mexico's National Council of Science and Technology full scholarship for master studies.
- Special distinction for undergraduate thesis in International Relations.
- Alumni (ExITAM) prize for best International Relations undergraduate thesis (2014 cohort).
